Reeping His Ring. Justice Goetting, in the Lee Avenu Court, Williamsburg, to-day held Mary Curley, twenty-three years old, of 176 Union avenue, for examination on a charge of petit larceny.

Mary is the wife of a saloon-keeper at the above number, and William Petty, fifty years old, of 205 North Ninth street, says that she took a ring his finger to examine it and

from his finger to examine it and failed to give it back to him.

"This charge makes me very angry," remarked Mrs. Curley when arraigned in court. "The facts in the case are that this man thinks he is a masher and helleved he had made an impression upon me. So he ordered drink after drink until all his money was gone, and as he did not want to go he left the ring as a pledge for 75 cents he owes."

The sea in the bay is moderate, while outside the Hook whitecaps crown the light ocean swell. The wind is blowing from the East at twenty-five miles an hour, and the tide is abbling.

THE WEAKEST SPOT in your whole system, perhaps, is the liver. If that doesn't do its work of purifying the blood, more troubles come from disturbance of any other organ.

Dr. Pierce's Golden Medical Discovery acts upon this weak spot as nothing else can. It rouses it up to bealthy, natural action. By thoroughly purifying the blood, it reaches, builds up, and invigorates every part of the system.

For all diseases that depend on the liver or the blood — Dyspepsia, Indigention, Billiousness; every form of Scrofula, even Consumption (or Lung-scrofula) in its earlier stages; and the most stubborn Skin and Scalp Diseases, the "Discovery" is the only remedy so unfailing and effective that it can be guaranteed.

Mr. Henry was a well known Brooklynite, and had been identified with the Republican politics of Kings County all his life.

For a number of years he was Treasurer of the Kings County General Committee. During the campaign of 1874 he ran for State Senator. In 1878 he received the Republican nomination for Mayor of Brooklyn. In both cases he was defeated by an overwhelming majority.

Mr. Henry was a close friend of exsecretary Tracy, and was known personally by ex-President Harrison.

Dr. Fowler continued his story this
morning. He said he had watched Mrs.
Stage carefully while she walked across
the room. From the manner of moving
about he concluded that she had suffered no injury at the nerve centres.
Witness said that he had found nothing
to indicate that Mrs. Stage was permanently injured, nor would she grow
worse.

The wound she had received from another cause would be all right if properly
treated.

On cross-examination Dr. Fowler said
he had been surgeon for the Brooklyn
